

Made to Measure Posts Measurements Required

Measurements are needed for this product. Please measure your stand carefully using the guide below - either in inches or millimetres and enter your measurements in the boxes provided. Important note if you are unable to supply measurements now we will still take your order but before processing it will contact you for the required information.

(a) Height of Post Required

Measurement should show the full height of the post not including the spigots

If (a) is less than 13" it is a **Small**

If (a) is between 13" and 16" it is a **Medium**

If (a) is greater than 16" it is a **Large**

(b) Diameter of Spigot

(c) Diameter of post at base

or

(d) Width of bottom rail

(e) Diameter of post to top

or

(f) Width of top rail

NB: Any replica posts will be made as closely as possible to the dimensions supplied. Tolerances and timber limitations will affect the final design and appearance of the posts.
